I have provided a photograph that has been marked up that highlights the extent of the work we wish to carry out.</p> <p>T3 and T4 are yew trees and I request to crown lift them to roughly 3M as they are starting to impact the graves as well as the entrance to the church. There are some larger diameter branches that can be seen in the photographs provided and the intention is to prune them back away from the graves as removing them altogether would create too big of a wound on the tree.</p> <p>T1 is a lime tree that I am requesting to do a 2M reduction on as per request of the Ashford Parish council in order to let more light into the neighbouring properties.
