29 November 2024

Dear Louckia,

I am writing on behalf of the Secretary of State in my role as Parliamentary Under-Secretary of State for Rural Affairs for Nature in response to your request to amend the Peak District National Park Authority (PDNPA) Car Parking Byelaws under section 90 of the National Parks and Access to the Countryside Act 1949 and section 236 of the Local Government Act 1972.

In deciding whether to give leave for the PDNPA to make the proposed amendments to the byelaws, I have considered the rationale for the proposed changes and the evidence submitted to show compliance with the statutory requirements to publish notice of its intention to apply for confirmation of the changed byelaws in the local newspaper and the Authority's website, make available for public inspection copies of the byelaws which it intends to apply, and consulted with the statutory consultee, Natural England (NE).

I have noted PDNPA's confirmation that no objections or comments have been received from members of the public following publication of the 'Notice of Confirmation' on 28 May 2024. I have also noted PDNPA's confirmation that NE's response has been considered and that appropriate measures will be put in place to ensure that the proposed byelaw changes will be consistent with national and local policies on the natural environment ensuring no significant adverse impacts.

The foregoing byelaws are hereby confirmed on the authority of the Secretary of State for Environment Food and Rural Affairs and shall come into force on the third working day from the date of this letter.

Yours sincerely,

**MARY CREAGH CBE MP**
