

## Pre-Planning Application Advice Fee Schedule October 2024

We aim to provide written advice within 25 working days from receipt of your request form, plan, fee and information. Advice will be given in writing on the basis of the form, plans and information submitted with the initial enquiry. Any subsequent plans, revisions or other amendments to the scheme will be treated as a new enquiry and charged on that basis.

The Officer will write to the enquirer if they consider a meeting appropriate before written advice is provided. A meeting (if agreed to by the enquirer) will attract an additional fee of 50% of the whole of the relevant pre-application fee which must be paid prior to the meeting. The meeting will take place at Aldern House unless the Officer considers a site visit essential to understand the proposals.
