NP/TCA/0823/1001	The tree is about 7m from the house. The branches are now almost touching the house. There is excessive shade over the house and garden. The branches extend well over the boundary with my neighbours land (The Old Vicarage) and obscure other trees. The tree was planted approximately 40 years ago. There is considerable heave at the base of the tree. I do fear eventual damage to the house. I don't believe it would be advisable to plant another tree in the same position. Pool Croft is surrounded on all sides by many mature trees.	Accept

NP/TCA/0923/1132	I wish to carry out some maintenance (pollarding) on two trees to the rear of my property: 1st tree, silver birch which has a canopy that now covers most of the far right of the rear garden; 2nd tree, I understand this to be a Whitebeam which also has a canopy that covers a large area across the rear part of the garden and like the silver birch, has not been maintained for some time. There is also a tree which I believe to be a Ginkgo to the front of the property. This tree is leaning towards next door and I fear may be blown over with any strong winds, this will risk part of next doors property so I wish to remove this.	Accept
P1508	Winhill Hope	
NP/TCA/1023/1213	Shown in the photograph is a cherry I am requesting to prune back to roughly the line indicated depending on suitable growth points available.
