

# ASK A RANGER

(ONLINE LEARNING EXPERIENCE/ZOOM SESSION)

Age range: KS1 –KS5 Duration: 30 minutes

- Learn about the National Park directly from our knowledgeable ranger staff
- Pupils can directly ask their questions to the ranger.
- Choose a theme to base the talk/questions around. This will be discussed with you during the booking process.
- Powerpoint resources extend the learning –these include an introduction to National parks and a Peak District quiz.

## Main Curriculum Links:

<b>SMSC:</b>	Moral & cultural value of National Parks
<b>Geography</b>	National Parks, special characteristics of the landscape
<b>Science</b>	living things and their habitats; conservation

*Other curriculum links are dictated by the focus you choose for the session.*

Learning Objectives	Learning Outcomes

## Assessment for Learning

We continually assess learning using a variety of techniques appropriate to the activity such as questioning, games, observations and checking results

## Ideas for Extending Learning Before/After the Visit

**Before:** Locate the Peak District on a map. Look through the introductory powerpoint and do the Peak District Quiz in your resource pack.

**After:** Design a poster encouraging people to visit and/or look after the Peak District National Park. We also have a range of resources available on our website based around different topics, eg rivers, rocks.
