DESCRIPTION	Yew Tree in front of the house has a TPO. It is very overgrown and overhangs the pavement. All passersby have to step onto the very busy road to pass it. Also there are mountains of needles is very slippery. It is a fall hazard and dangerous to walk on the steps leading to the front door. Based on advice from a tree surgeon, the proposal is to take down the tree as is no longer a good specimen and is hazardous on this road.
