

Ladybower

Drop down to the dam at Ladybower to link the shores of the Peak District's largest expanse of water. Section on pavement.

Access For All Route:

- ① From the car park, head south past the building and along the tarmac path for elevated views of the dam.
- ② Return to the car park at the northern end and drop down through the woodland to meet the road.
- ③ Cross the road to the pavement southwards to access the dam.

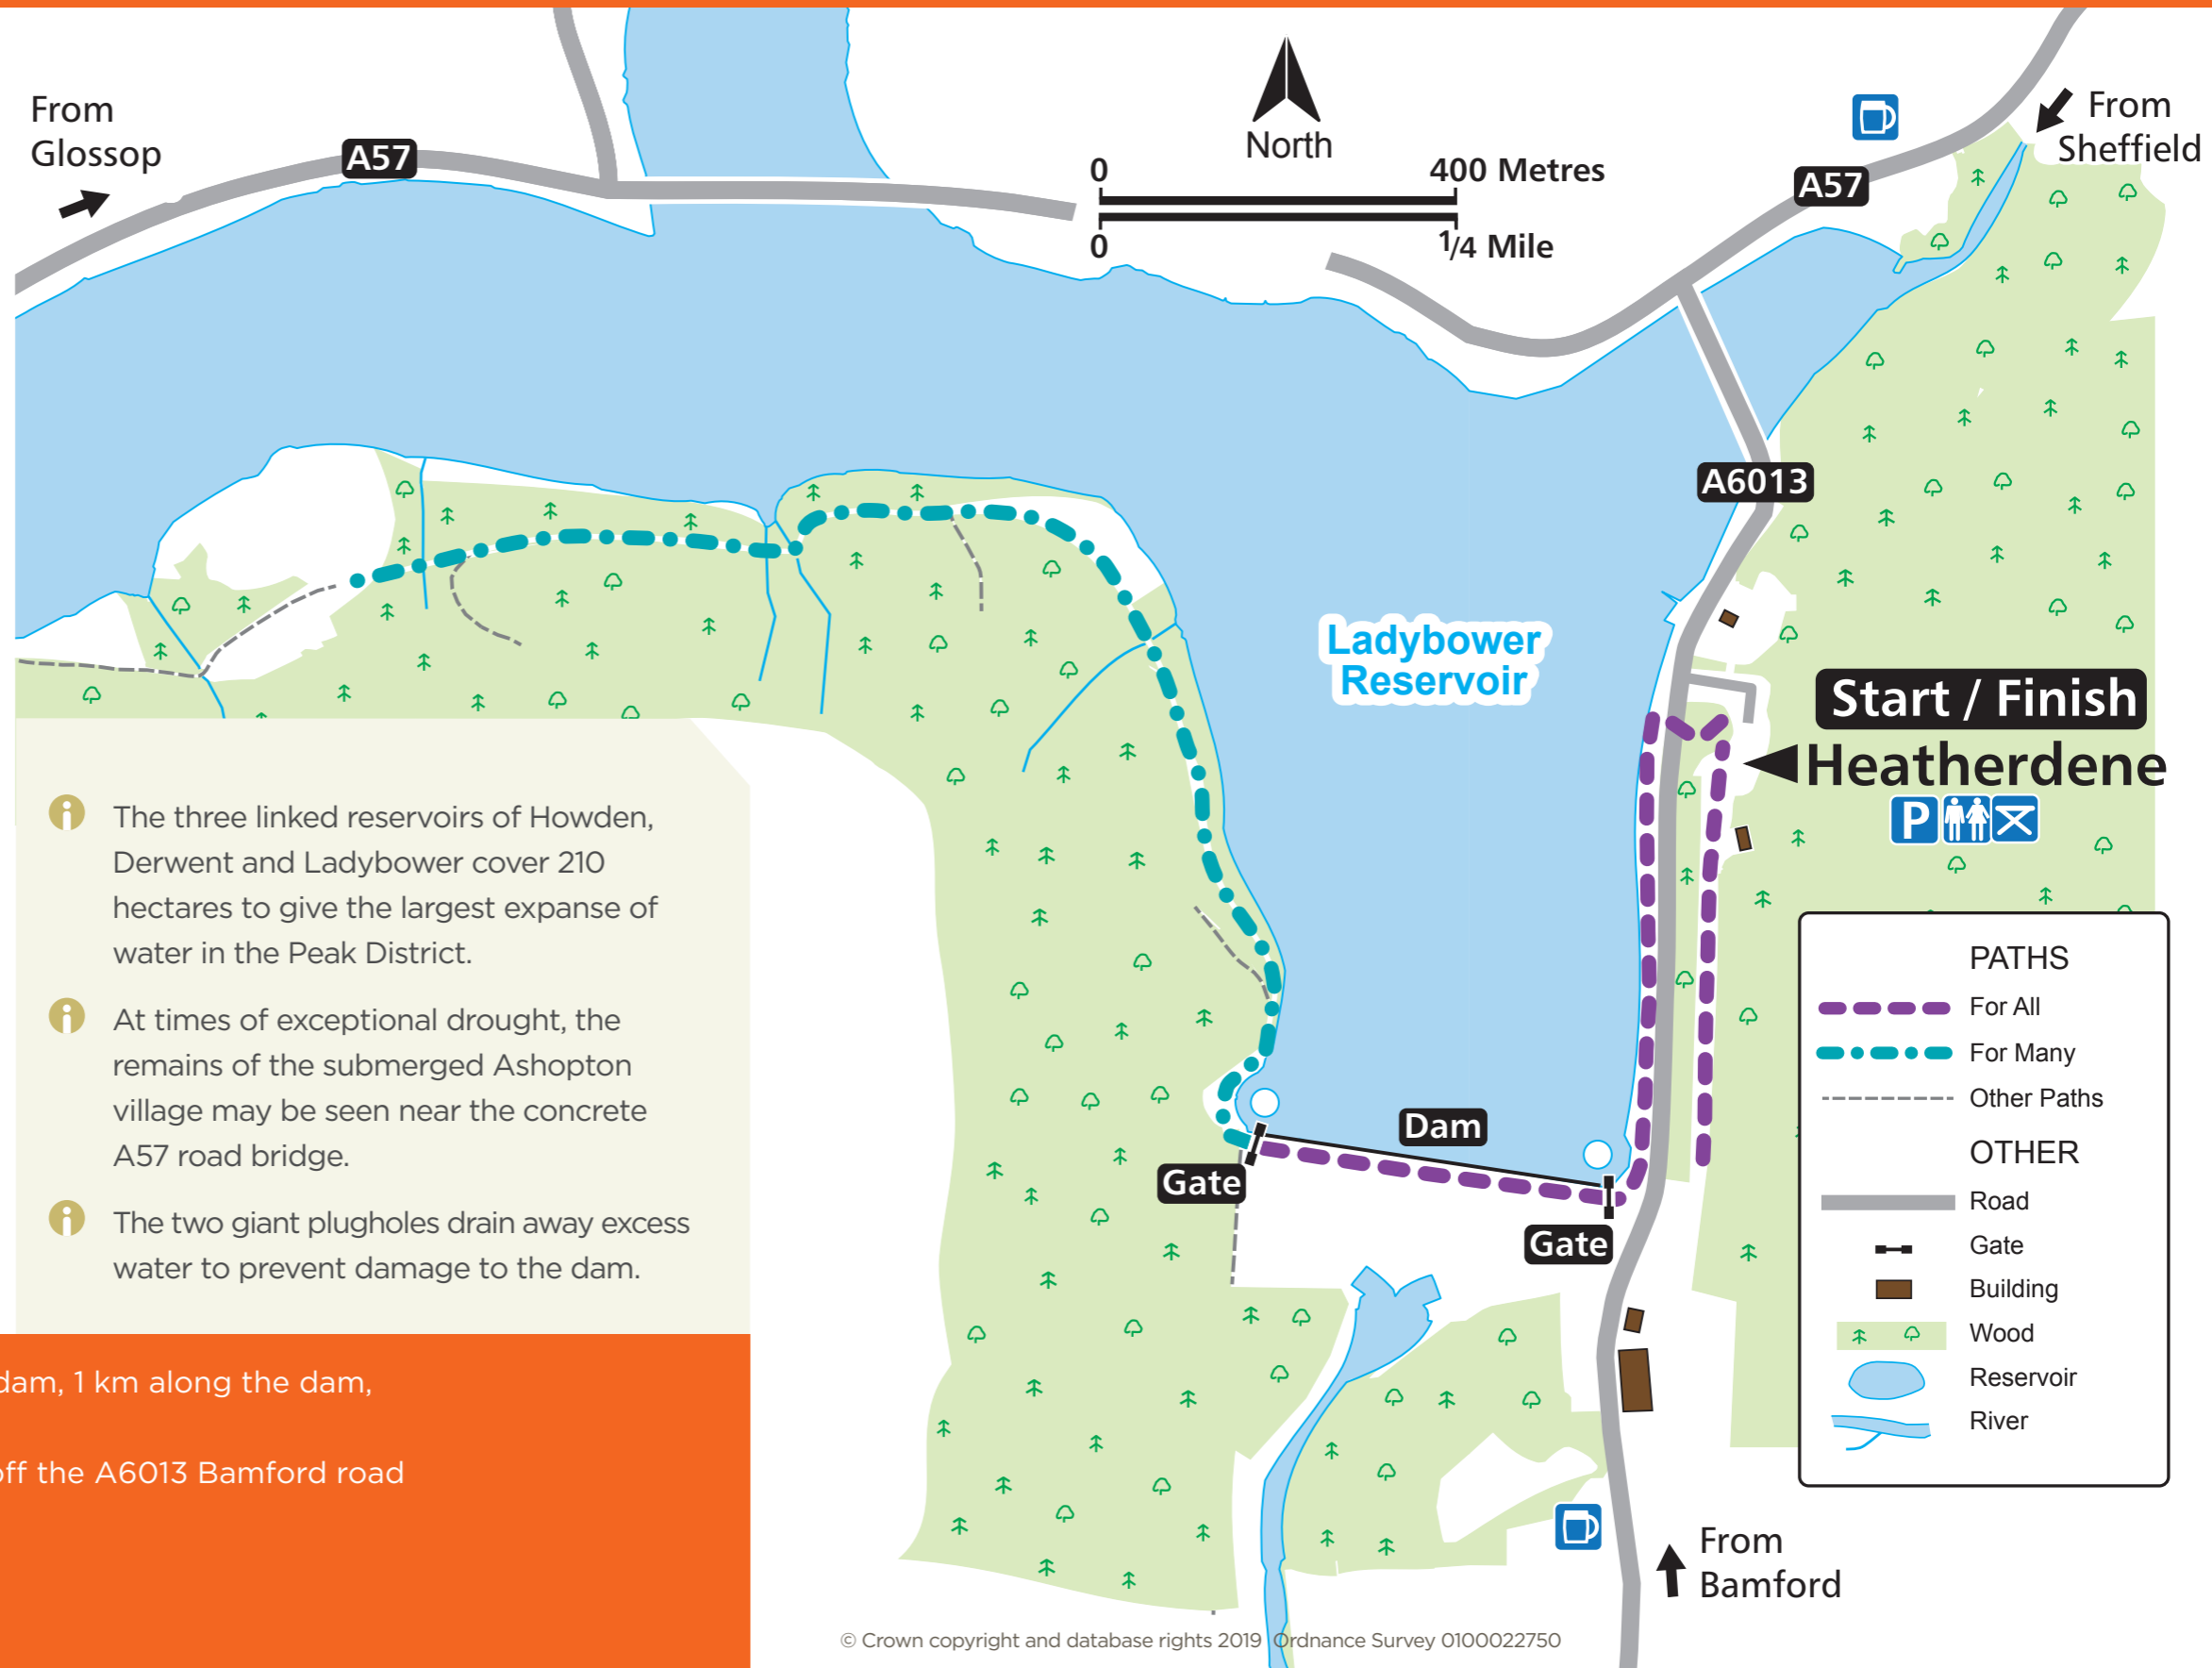

Access for Many Route:

- ① Turn right at the far side of the dam.
- ② Follow the forest track uphill to benches and a view.

Alternative:

Consider taking out the wheelyboat at Ladybower Fisheries.
