Subject **Bank of England Forum: Peak District Business Briefing**
Location **John Smedley, Lea Mills, Lea Bridge, DE4 5AG Matlock**
Time **08:00 - 09:30**

The Bank of England is actively canvassing business engagement, and rurally-based Chamber-members across the Peak District are invited to attend a discussion over breakfast in which local operating conditions and cashflow issues will be informally discussed.

This meeting will help directly inform the process in which the Bank feeds into the policymaking of the Monetary Policy Committee, which sets the monthly interest-rates affecting us all.

SMEs and business leaders' views on the effectiveness of Government-backed lending initiatives would be welcomed.

A broad cross-section of local businesses will be in attendance - and with no formal agenda as such, members are encouraged to share their concerns and observations in an informal round-table format, chaired by the Bank's East Midlands Agent, Alastair Cunningham.

You need to be a DNCC chamber member to attend - but you can sign up specifically for this event.

Subject Employment Law Updates and Planning For Pensions Auto Enrolment

Location Chatsworth House Bakewell Derbyshire

Time 10:00 - 12:30

This event is aimed at Managing Directors / Financial Directors / HR Directors and their professional advisers

Since October 2012 any employer who employs at least one person in the UK will be legally obliged to have a pension scheme suitable for automatic enrolment and automatically enrol certain workers into that pension scheme. The legislation is being phased in between 2012 and 2018 depending on the size of your organisation. The legislation and employer duties are complex. This comprehensive seminar covers 5 main elements.

- The employer duties and their impact
- Your internal processes and communication strategy
- Impact on HR & employment law
- How pension enrolments fits into the bigger picture of growing your business
- Taking business owners out of the business and focussing on the best way forward
